

# Aims of the Group (please feedback)

- To take a step back, breathe, be patient yet proactive.
- To ensure we operate within current H&S & Employment law and PH advice.
- To keep it as simple, straight forward & reasonably practicable as possible.
- To create a single, cross industry document to inform how we can operate safely during this time.
- To be joined up with similar industries in the UK.
- To create positive PR and prevent negative PR.
- To support each other and those who currently cannot commit or be here today.
- To meet regularly, learn from others and stay current

# How do we propose it works?

- Each group has approx. 10 volunteers, with time, resources, expertise
- Each group nominates a chair to run and control the meetings.
- Each group nominates a secretary to record their conversations and work.
- Email [emma@vertex-training.co.uk](mailto:emma@vertex-training.co.uk) to volunteer for a group and volunteer to be chair or secretary.
- If you don't get in a group, please be patient, you will all get contact details for the group and also the group results.
- Following the first group meetings the groups decide when and how, they meet, work and record/share their results.

# How do we propose it works?

- First group meetings are on Friday 30<sup>th</sup>. We will set these up but then hand over to the groups from them on.
- Each group will be provide with as much current and available information on their topic for review and consideration. If there are already working solutions we should simply adopt.
- Happy to take advice and feedback on if/how we record or share these group meetings.
- If you need to contact one of the specialists listening in please go through Emma and/or I, to stop the being bombarded with emails
- The Whole Group will meet as one again in 2 weeks where each group can report it work and results.
- Next Whole Group meeting proposed as Wednesday 13<sup>th</sup> 10:30am.
- At that meeting we assess where we are and what needs to be done next?
